

Pavithra N

Frontend Developer | ReactJS Developer | Web Developer

Experienced web developer with over 2 years of expertise in building dynamic and responsive applications using **HTML, CSS, JavaScript, Bootstrap, and ReactJS**. Skilled in creating intuitive user interfaces, optimizing performance, and ensuring cross-browser compatibility. Currently transitioning from backend development in **PHP and Laravel** to a frontend-focused career, with a strong interest in modern JavaScript frameworks and UI/UX best practices. Eager to contribute to building engaging, scalable, and high-performance frontend solutions.
